"Dear Big Al, I have attended many clinics over the past seven years and yours was far and away the best. I implemented your approach for keeping the kids busy and involved during our first practice today. It was the best I ever had. Thanks!"

"BIG AL - As a 1st time coach for my Sons T-ball team I found your clinic and "training package" priceless. I will be using your skills to teach our little ones to be good players and on and off the field. Thanks again!"

- Coach Aaron

"Al, I just want you to know how incredibly helpful the clinic was for me, a first time manager this season. You are a great teacher who taught me things I never knew about baseball - and I have been playing it for much of my life!!! I have told those who run my league that everyone who coaches should take this clinic! Big Al you made me see baseball in a whole new light! Thanks." -Charles
